Saturday, May 6– Saturday, June 10, 2000

Opening reception Saturday, May 6, 2000 from 6-8pm

Gagosian Gallery is pleased to announce an exhibition of Andy Warhol's *Diamond Dust Shadow* paintings. The *Shadows* are regarded as some of the most beautiful and enigmatic of Warhol's abstract works. This exhibition marks the first time that the *Diamond Dust* series will be presented together. Completed circa 1979, this series was painted shortly after the *Shadow Paintings* that are in the collection of the Dia Art Foundation.

The exhibition will be accompanied by a fully illustrated catalogue, which includes an essay by Rosalind E. Krauss.
