Other major recent exhibitions include “Richard Serra Drawings: Work Comes Out of Work”, Kunsthaus Bregenz (2008); “Richard Serra Drawings: A Retrospective,” Metropolitan Museum of Art, New York (2010, traveled to San Francisco Museum of Modern Art and the Menil Collection, Houston in 2012).

Serra has produced large-scale, site-specific sculptures for architectural, urban and landscape settings spanning the globe, from Iceland to New Zealand.
