

Time Out New York  
December 31, 2016

GAGOSIAN

TimeOut

**Five essential exhibitions in January**  
*The art world moves into 2017 in fine form.*

Howard Halle

If you went to Rockaway Beach this past summer, you probably caught the German artist's public art project in which she transformed Fort Tilden's abandoned aquatics building into a kind of 3-D gestural painting. She's also no slouch when it comes to big, bold brushmarks on regular canvas, as seen in her new paintings here.

Gagosian Gallery, Jan 19-Mar 11.
